

SNOQUALMIE casino

Project Overview

Client:

Snoqualmie Indian Tribe

Triad Solutions:

- Project Management
- Planning Services
- Landscape Architecture
- Survey
- Civil Engineering

Location:

Snoqualmie, Washington

Timeline:

2001 – 2008

Project Description:

Located on 56 acres off Interstate 90 east of Issaquah, the 3-story, 150,000 square-foot casino will be the first on the Eastside and the closest to Seattle. It will feature a Great Lodge design using stone, timbers and a Northwest color palette. Entertainment amenities will include three restaurants, a 400-seat live theater, piano lounge, cigar bar, and machine and table games.
