

Millington

AT MERRILL CREEK

Project Overview

Client:

Fairfield Development

Triad Solutions:

- Project Management
- Planning
- Site Design
- Civil Engineering
- Survey
- Landscape Architecture

Location:

Everett, Washington

Project Description:

Luxury apartment living at Millington at Merrill Creek. This 18-building, 344-unit, Craftsman-style apartment community features a resort-style pool and spa, fitness facility, and computer center. Our first project for San Diego-based Fairfield, Triad was lead consultant on the 32-acre site.

Timeline:

2004 – 2007
