

# COVENANT SHORES

*A Covenant Retirement Community*

## *Project Overview*

### *Clients:*

- Covenant Retirement Communities
- Sandler Architects

### *Triad Solutions:*

- Project Management
- Survey
- Planning
- Civil Engineering
- Landscape Architecture

### *Location:*

Mercer Island, Washington

### *Timeline:*

1993 – 2003

### *Project Description:*

Covenant Shores is located on beautifully appointed grounds on the shores of Lake Washington. The panoramic natural beauty of Covenant Shores' enchanting 12-acre campus is a magnificent backdrop for gardens, walkways and marina. Residents enjoy a rewarding continuing-care lifestyle just minutes from both downtown Seattle and Bellevue. While we did not originally perform any services on this site, all of Triad's services have been involved as this community has grown over the years.
