

# GREENBRIER SENIOR RESIDENCE

## *Project Overview*

### *Client:*

- DASH – Downtown Action to Save Housing

### *Triad Solutions:*

- Project Management
- Planning
- Survey
- Civil Engineering

### *Location:*

Woodinville, Washington

### *Timeline:*

1999 – 2003

### *Project Description:*

This 50-unit senior apartment community is part of Woodinville's Greenbrier neighborhood. Triad's client, DASH, was founded in 1991 to create affordable housing throughout East King County communities. Their mission is to foster the development and retention of housing for lower and moderate income individuals, families and seniors in Bellevue and East King County through public-private partnerships, advocacy, policy-making input and fundraising.
